COMMENTS ON EXAMINER'S STATEMENT
OF REASONS FOR ALLOWANCE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

The Examiner's Statement of Reasons for allowance at page 3 of the notice of allowability ambiguously refers to figures 4, 10, 11, and 13, stating "... the prior art ... does not teach or render obvious ... the instant invention regarding a semiconductor device having first, second and third semiconductor regions characterized by the height differences as recited in claim 1 and as exemplified by applicant's figures 4, 10, 11 and 13." Since the drawings may show non-claimed features, Applicants' state on the record that the claims are not limited by unclaimed features noted in the drawings.
